SIR OSWALD MOSLEY

The September 14, 1962 edition of the "Buffalo Evening News," a local daily newspaper, page 31, contained an article entitled, "UB Lecture Series to Explore Five Political Ideologies." The article indicated that during September and October 1962, a lecture series titled "A Political Spectrum of a Contemporary World" would be held at the State University of New York at Buffalo (formerly known as the University of Buffalo) and that the speakers and their topics would be as follows:

September 26	Sir OSWALD MOSLEY, fascism
October 3	RUSSELL KIRK, conservatism
October 17	Senator EUGENE J. MC CARTHY, liberalism
October 24	NORMAN THOMAS, socialism
October 31	Dr. HERBERT APTHECKER, communism

The article indicated that the speakers had been unanimously approved by the Student Association at the university and by Dr. JOHN T. HORTON, Chairman of the Department of History and Government.

On September 24, 1962, BU T-1 furnished information that the Buffalo Workers World Party was distributing leaflets protesting the appearance of MOSLEY and that they were planning to picket the meeting on the University of Buffalo campus on September 26, 1962.

A characterization of the Workers World Party appears in the appendix page attached. 157-13-686

SIR OSWALD MOSLEY

On September 24 and 25, 1962, articles appeared in the "Buffalo Evening News" and in the "Buffalo Courier Express," a local daily morning newspaper, which reflected a mounting opposition to the appearance of Sir OSWALD MOSLEY at the University of Buffalo. Most of the articles indicated that opposition to MOSLEY's appearance was based on the fact that he was alleged to be the leader of the British Fascist Party. In one article which appeared in the "Buffalo Courier Express" on September 25, 1962, it was mentioned that a group calling itself "Youth Against War and Fascism" had distributed leaflets urging a mass picketing of MOSLEY at the Main Street entrance to the university, at 1:00 PM, Wednesday, September 26. MOSLEY's speech was scheduled for 3:00 PM at Norton Hall on the university campus, on the 26th of September.

In connection with the above, it is noted that BU T-1 furnished information on September 24, 1962 that the Workers World Party, under the guise of "Youth Against War and Fascism," had circulated leaflets asking the recipients to join in a protest demonstration at the university against MOSLEY.

Another article appearing in the "Buffalo Evening News" on page 15 of its Complete Financial Edition for September 25, 1962, indicated that MOSLEY, when he received the first invitation to appear at the University of Buffalo, thought it was a joke, but that after some correspondence, he realized that it was in earnest and, thereupon, made arrangements to obtain a visa from the American Embassy at London. The same article stated that officials of the State University of New York at Buffalo had indicated that peaceful picketing would be permitted and that faculty and students were planning anti-MOSLEY demonstrations at the time he was scheduled to speak in Norton Hall Auditorium at 3:00 PM. Further, that the Chairman of the Anti-Defamation League of B'nai B'rith, in New York, had stated that the United States was "inviting riot and disorder" by permitting Sir OSWALD MOSLEY to lecture in Buffalo. Further, that the Chairman, HENRY EDWARD SCHULTZ, had described MOSLEY as "an unreconstructed

SIR OSWALD MOSLEY

"Fascist ... coming here in order to spread the doctrine that democracies must be overthrown." Further, it was indicated that Mr. SCHULTZ had sent a telegram to United States Attorney General ROBERT KENNEDY, urging that MOSLEY be excluded under the Immigration and Nationality Act.

In addition, an article appearing in the "Buffalo Courier Express," Four-Star Edition, September 26, 1962, indicated that New York State Senator WALTER J. MAHONEY, of Buffalo, had sent a telegram to Dr. CLIFFORD C. FURNAS, Chancellor of the University of Buffalo, urging that MOSLEY's appearance in Buffalo be cancelled. Mr. MAHONEY, the Republican majority leader in the New York State Legislature, termed MOSLEY's invitation "ill advised." The article stated that Chancellor FURNAS had said that he shared with Senator MAHONEY "the deepest antipathy to the doctrine which MOSLEY and other Facists expound," and added, "If there be an issue it is an issue of education. Evil ideas which in our age are spread about us must also be studied by scholars and students if they are dealt with."

The same article contained information that MOSLEY, on his arrival in New York from London on September 25, 1962, had denied to newsmen that he was a Fascist and said, "We call ourselves national Europeans. We believe in a common government as well as a common market. There is no suspicion of totalitarianism and no supression of human liberty. I've never been an anti-Semite and I've never attacked a man on the basis of his religion." He also stated he was receiving \$600.00 for his appearance which, he said, just about covered his expenses.

Further information in the article indicated that a number of student groups were planning demonstrations on the University of Buffalo campus when MOSLEY arrived and that a group of Jewish citizens, reportedly including rabbis, were planning a protest demonstration for 1:45 PM on September 26, on the steps of Lockwood Library on the campus. In addition, it said that three New York members of Congress, Representative EMANUEL CELLER, Representative SEYMOUR HALPERN and Senator JACOB K. JAVITS, had taken an exception to the granting of a visa to MOSLEY. Further,

CONFIDENTIAL

SIR OSWALD MOSLEY

that several local Jewish groups, including representatives of the United Jewish Federation of Buffalo, the Buffalo Chapter of the American Jewish Committee and the Western New York Regional Board of the Anti-Defamation League of B'nai B'rith, had registered protests against MOSLEY's appearance in Buffalo.

An editorial appearing in the "Buffalo Courier Express," Four-Star Edition, on September 26, 1962, indicated that although many people dislike the idea of allowing MOSLEY to address a group of Americans, many of whom had suffered under the hands of German Nazis under HITLER, it was the American tradition; and that no one should try to deprive him of his right to speak; and that no one should attempt to do violence to his person, even though if the tables were reversed, no Fascist government would let an advocate of democracy live long enough to schedule a speech, let alone deliver it.

A story appearing in the Complete Financial Edition of the "Buffalo Evening News" for September 26, 1962, stated that a press conference with Sir OSWALD MOSLEY had been cancelled by officials at the State University of New York at Buffalo that afternoon while students carrying signs picketed Norton Hall. The officials said that the press conference had not been officially arranged by the university and, therefore, could not be held on the campus. The article also indicated that Norton Hall on the campus had been the center of a demonstration by students carrying signs protesting against MOSLEY's appearance and that Buffalo police were standing by to insure order. It also indicated that a group of demonstrators led by six rabbis, many of whom had been former occupants of concentration camps, and another group of demonstrators led by the President of the Buffalo Chapter of the National Association for the Advancement of Colored People were picketing in front of Norton Hall. The same article contained information that when in New York on September 25, MOSLEY had stated to newspapermen, "Fascism is out of date" and that he had no intention of meeting with GEORGE LINCOLN ROCKWELL, described in the article as the American Nazi leader. The article said that MOSLEY referred to ROCKWELL as "that lunatic ROCKWELL."

SIR OSWALD MOSLEY

The same edition of the "Buffalo Evening News" contained an article that seven students carrying placards had been at the Buffalo Airport at 9:30 PM on September 25, 1962, when MOSLEY arrived from New York, and that these placards had printed on them such slogans as "Keep Our City Clean" and "Unite and Fight the Ultra-Right." The article said the leader of the seven was Mrs. MARYANN WEISSMAN, 23, a part-time student in the State University of New York at Buffalo, where MOSLEY was to speak. She said she was temporary Chairman of the "Youth Against War and Fascism" and carried leaflets urging picketing on campus, beginning at 1:00 PM, two hours before MOSLEY's speech. The article also said that RICHARD ERB, President of the University Student Senate, and Miss ANN HEDDEN, Vice President of the Senate, were on hand to greet MOSLEY and escorted him by taxi to his overnight quarters, which they refused to name. It said that MOSLEY told reporters that he had not been in the United States since 1926, when he was a member of Parliament and was "studying industry and social conditions in America."

BU T-1 furnished information in September 1962 that [redacted] was a member of the Workers World Party at Buffalo, New York.

BU T-2 furnished information on September 25, 1962 that MOSLEY arrived at Buffalo Airport from New York City via Mohawk Airline Flight 215, at 9:30 PM on that date, and that he was met by representatives of the Buffalo Police Department, the Cheektowaga Police Department, and [redacted] President and Vice President respectively of the Student Senate at the University of Buffalo. BU T-2 advised that in order to avoid any incidents, MOSLEY was placed in a taxi at the unloading ramp and was then escorted by the police to the Hotel Lenox at 140 North Street, Buffalo, where reservations for him had been previously made by representatives of the University of Buffalo Student Senate. BU T-2 said that the only demonstrators present at the airport at the time of MOSLEY's arrival were seven individuals, including [redacted] and that [redacted] and the other individuals were members of the Workers World Party.

~~CONFIDENTIAL~~

SIR OSWALD MOSLEY

He said that these individuals were not allowed on the field and did not get close to MOSLEY.

On September 26, 1962, BU T-2 advised that in view of the anticipated picketing at the University of Buffalo, the Buffalo Police Department made arrangements to "spirit" MOSLEY into Norton Hall at the University of Buffalo approximately two hours before he was scheduled to speak; and that in addition, they placed in the immediate vicinity of the university, but off the campus, a force of approximately sixty men, including the K-9 Corps (police dogs), in the event of an emergency. Further, that ten plain-clothes detectives from the Buffalo Police Department were in the building with MOSLEY and that traffic outside and the handling of the crowd was under the control of uniformed members of the University Police Department. BU T-2 stated that shortly after 2:00 PM on September 26, there was an estimated crowd of approximately 1,000 persons congregated in the vicinity of Norton Hall, most of whom were students; but that he had observed some members of the Workers World Party and members of a group in Buffalo who split with the Communist Party in the fall of 1961 as the result of a disagreement with New York State and National Communist Party officials and formed their own Marxist-Leninist group which so far has no formal name, circulating in the crowd, carrying placards, passing out leaflets and talking to various students. In addition, that there were approximately fifty individuals who were representing Jewish groups and who were led by several rabbis present, also carrying placards protesting MOSLEY's appearance and pointing out that the Jewish people had been persecuted by the Nazis, and millions had been slaughtered by them during the war. He said that for the most part, the students who made up the bulk of the crowd were in a holiday mood and seemed to be there to see what was going on. He said that impromptu speeches were made by several persons in the crowd, including an individual known to him as [redacted] and that these individuals in their speeches, although they protested against MOSLEY's appearance and were critical of what he represented, urged the crowd to let him speak but to indicate to him that they did not approve what he said. One speaker suggested that they turn their backs on MOSLEY when he was speaking. However,

b6
b7C

SIR OSWALD MOSLEY

according to BU T-2, at approximately 3:30 when the word circulated among the crowd that MOSLEY was already in the hall, interest began to wane, and by 4:00, most of the persons in the group had left the campus, including the members of the Workers World Party and the Marxist-Leninist group. Bu T-2 said that in his opinion, the action of the Buffalo Police Department in "spiriting" MOSLEY into the hall before the crowd gathered probably averted a disturbance.

BU T-3 furnished information in September 1962 that [] was a member of the dissident Communist Party faction in Buffalo which organized its own Marxist-Leninist group in the fall of 1961, not as yet named, as the result of a dispute with New York State and National Communist Party officials.

b6
b7c

BU T-1 furnished information on September 26, 1962 that [] had stated on that same date that he believed that his group was responsible for the building up of the demonstration at the University of Buffalo campus against MOSLEY. [] said that his group had put out approximately 7,000 leaflets in connection with MOSLEY's appearance, which urged people to picket the meeting. However, according to BU T-1, [] complained that at the last minute, tickets previously issued for the meeting were cancelled by the university officials, and special faculty passes available only to students and members of the faculty were used for admission to Norton Hall. He said that as a result, members of his group who had planned to attend the meeting were unable to do so. He also said that at one time during the demonstration, he felt that the students would storm into the meeting hall but that this did not happen.

Articles appearing in the September 27, 1962 issues of the "Buffalo Evening News" and the "Buffalo Courier Express" commented on MOSLEY's address to the students of the University of Buffalo on September 26, 1962, and indicated that an audience of more than 1,000 were in the room where MOSLEY was speaking and that several

CONFIDENTIAL

CONFIDENTIAL

SIR OSWALD MOSLEY

hundred others listened to loud-speakers in other parts of the building; and that it was restive but restrained during his sixty-minute lecture. The articles indicated that the audience heard MOSLEY through, returning infrequent taunts, as he talked of the "Fascist philosophy," past and present, but that hostility erupted during a question period.

One article in the "Buffalo Evening News," Complete Financial Edition of September 27, 1962, stated that MOSLEY had denied that he personally supported the Axis powers while interned in Britain during World War II and that he had sympathy with the Nazi cause. MOSLEY also claimed that he was not and never shall be an anti-Semite, at which several members of the audience accused him of lying and of being a Nazi. One of the members of the audience, according to the article, HERSH L. ADLERSTEIN, the Regional Director of the Anti-Defamation League of B'nai B'rith, stood and, pointing an accusing finger at the speaker, said, "You are a racist. You are a black shirt. I challenge you to a libel suit." Mr. ADLERSTEIN then walked toward Sir OSWALD, according to the article, and handed him an identification card. Other individuals present in the audience during the question period accused MOSLEY of being a fascist and of being an anti-Semite.

The same article stated that for the purpose of protecting the speaker and preventing damage to property, university officials had required all members of the audience to check their topcoats and brief cases outside the meeting room.

The same edition of the "Buffalo Evening News" contained an article which stated that State Senate Majority Leader WILLIAM B. MAHONEY, during an address before the Buffalo Rotary Club in the Statler Hilton Hotel, Buffalo, that same date, had said that "the availability of platforms in state-supported institutions must be restricted by defining a line between freedom and license." He indicated, according to the article, that he would send a letter to FRANK C. MOORE, Chairman of the Board of Trustees of the State University of New York, asking the board's

CONFIDENTIAL

CONFIDENTIAL

SIR OSWALD MOSLEY

cooperation in determining this line. MAHONEY indicated that the "untutored minds" of university students must be protected from "people whose basic premise is use of violence in any form."

An editorial captioned "Call in the Truth Squad," which appeared in the Complete Financial Edition of the "Buffalo Evening News" for September 27, 1962, in commenting on MOSLEY's speech, said, "As might have been expected, the bland OSWALD MOSLEY defense of fascism as a philosophy--coupled with a weak so-sorry for its 'disastrous' exaggerations under HITLER--bore no conceivable connection with the true face of fascism as the horrified world saw it rise to swaggering power until it finally brought itself and all its hateful works to utter ruin in a global catastrophe." The article expressed the hope that none of the University of Buffalo students would be so naive as to expect, now he had "heard all about fascism" from MOSLEY, to learn anything significant about communism from a spokesman for that ideology at the other end of this series. The article commented that it was hoped that the promoters of the lectures would want some sort of intellectual "truth squad" to follow these apologists for Nazi horror camps and Red slavery, and tell what the record shows about these parallel forms of evil tyranny that have made this in many respects the most brutalized century since civilization began. The editorial commented too that the series has no place on its program for moderate Republicanism as represented by this state's principal elected officials, its governor and two senators.

On September 27, 1962, BU T-2 furnished information that Sir OSWALD MOSLEY had left Buffalo that same morning at 7:15 AM via the American Airlines for New York City, en route to England. According to BU T-2, he received information that MOSLEY, who had originally been scheduled to leave Buffalo on the afternoon of September 28, 1962, left early at the request of either university officials or members of the university Student Senate who were afraid that his continued presence in Buffalo might cause additional picketing and trouble.

On April 17, 1959, a source advised that on February 12, 1959, a Socialist Workers Party (SWP) minority group, under the leadership of National Committee member, [] split from the SWP.

b6
b7C

The source stated that this minority group, referred to as the Marcyites, after many years of program and policy differences on varied issues concerning tactics and interpretation of political events, split from the SWP on the grounds that the Party was liquidating itself by departing from the Marxist precepts of LEON TROTSKY and retreating from the fight for the world socialist revolution. The final issue which ultimately forced the split was the minority's opposition to the SWP regroupment policy which involved cooperation with the Communist Party (CP) periphery - individuals characterized by the minority as petty - bourgeois.

The minority program, according to the source, advocates unconditional defense of the Soviet Union and has as its goal the building of a revolutionary party with a complete proletarian orientation for the purpose of overthrowing capitalism in the United States and throughout the world.

On May 12, 1962, the source advised that this minority group had chosen the name Workers World Party.

On April 18, 1962, the source stated that the headquarters of the Workers World Party were located at 46 West 21st Street, New York, New York.

The SWP and the CP have been designated by the Attorney General of the United States pursuant to Executive Order 10450.

MOSLEY's arrival at Buffalo was observed by SAs [redacted] and CHARLES E. SANDALL, who conducted a discreet surveillance at the airport. In addition, his stay at the Hotel Lenox was covered through the cooperation of [redacted] Manager of the hotel. It is noted that on 9/26/62, Mr. [redacted] advised SA [redacted] that the subject, after he arrived at the hotel, had issued instructions to the desk clerk that all incoming calls were to be routed to the University of Buffalo and that he, himself, was not accepting any calls. He did make two calls on the late evening of 9/25/62, one to a member of the Staff at the University of Buffalo, and the other to the Buffalo FBI Office.

b6
b7C

His call to the Buffalo Office was referred by the night clerk to SA [redacted] who was in the Office at that time. MOSLEY told SA [redacted] that he had been instructed by the Embassy in London to call the FBI Office when he arrived and that he had also received similar instructions that same date from a member of the New York City Police Department, Special Squad, which had provided him with an escort during the time that he was in New York City. When questioned by the Agent as to whether his instructions from the United States Embassy in London had been to call the Immigration and Naturalization Office, rather than the FBI, he said that he was merely told to call the Department of Justice in Buffalo when he arrived, to report his presence in Buffalo and his address. He said he was staying at the Hotel Lenox, 140 North St., Buffalo, in Room 643, and that he expected to leave Buffalo for New York City en route to London on Friday afternoon, 9/28/62. The Agent thanked Mr. MOSLEY for calling and said that the information would

be referred to the proper authority.

On the morning of 9/26/62, Agent [] telephonically contacted [] Supervisor in the Investigation and Deportation Section of the Buffalo Immigration and Naturalization Office, and furnished him with the information as received from MOSLEY. It is also noted that a representative of the Immigration and Naturalization Service (INS) was in attendance at Norton Hall during the time that MOSLEY was speaking on Wednesday, 9/26/62.

b6
b7C

It is further noted that on the evening of 9/26/62, an individual who did not furnish his identity called the Office and advised Clerk [] that MOSLEY would leave Buffalo for New York City at 7:15 AM the morning of 9/27/62, via American Airlines.

Additional information obtained from [] Manager of the Lenox Hotel, on 9/26/62, indicated that subject had no visitors that same morning and, with the exception of having breakfast in the hotel Dining Room, he remained in his room until approximately 11:30 AM when a representative from the University of Buffalo arrived at the hotel to pick him up. Further, Mr. [] advised Agent [] on 9/27/62 that after MOSLEY returned to the hotel in the early evening of 9/26/62, he had no visitors, but that there were two Buffalo Police Department plain-clothes men stationed in the hotel lobby to keep unauthorized persons away from the subject. He also advised that MOSLEY made a long-distance call to New York and talked for approximately twelve minutes, but that the relief operator on duty had failed to obtain the number in New York that the subject called. MOSLEY made three local telephone calls, and it was later determined that two of these calls were to the University of Buffalo and one was to the FBI Office. Arrangements have been made to contact Mr. [] on or after 10/19/62, when he receives the hotel bill from the New York Telephone Co., in order to obtain the number in New York that MOSLEY called.

SUBJECT: AMERICAN NAZI PARTY,

I received a telephone call from Mr. [redacted] of the BROOKLYN DAILY, 2427 Surf Avenue, telephone # ES 3-9500, Brooklyn, N. Y. He advised that they publish the leading Jewish newspaper in the U. S., known as the Jewish Press, which is published in English. He stated that this week the paper had received a letter from GEORGE LINCOLN ROCKWELL, which was on ROCKWELL's embossed Neo-Nazi stationery, containing swastikas, etc., in which ROCKWELL made a vicious attack on the Jewish press, reproduced material from their paper, including photographs of the masthead and was completely vulgar. The letter contained no threats, which would indicate a violation of the Extortion Statute, nor of the Blackmail Statute. It was strictly vindictive type communication. Mr. [redacted] stated that they had in the past carried on an active campaign against ROCKWELL and ROCKWELL apparently carefully screened each issue of their publication.

Mr. [redacted] related that they had examined their subscription list and found only one subscriber in Alexandria, Va., and that subscriber was one DR. He stated the American Medical Dictionary had no listing for Dr. [redacted] and that it was his suspicion that Dr. [redacted] may be a drop name by which ROCKWELL received their paper. He also pointed out that the recent killing of a 17 year old boy in Falls Church, Va., whose name was LOUIS GOLDFEIN, by another youth by the name of [redacted] was in this same area of the address of Dr. [redacted] and that [redacted] was allegedly a follower of ROCKWELL in his anti-Semitic beliefs.

October 23, 1962

AMERICAN NAZI PARTY

On October 6, 1962, [redacted]

[redacted] Maryland, [redacted]

[redacted] Maryland, and [redacted]

[redacted] Maryland, advised Special Agents of the Federal Bureau of Investigation that the Fighting American Nationalists (FAN) were going to picket in Philadelphia, Pennsylvania, October 12, 1962, at the site where a speech was to be made by the Communist leader, Gus Hall.

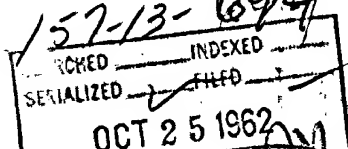

b6
b7C

A characterization of the Fighting American Nationalists (FAN) is attached hereto.

On October 9, 1962, [redacted] describing himself as a lieutenant in the American Nazi Party and working out of the headquarters of the group in Arlington, Virginia, filed a petition in the United States District Court, Eastern District of Pennsylvania, Philadelphia, Pennsylvania, for a writ of mandamus pleading that the court issue the writ to force the Philadelphia Police Department to afford the American Nazi Party protection of pickets on October 12, 1962. The American Nazi Party planned to demonstrate with pickets in front of the Adelphia Hotel October 12, 1962, when Gus Hall, Communist Party spokesman, was appearing that day. It was alleged in the petition that the Philadelphia Police Department had not properly afforded the American Nazi Party protection of its pickets when they last demonstrated in Philadelphia.

A characterization of the American Nazi Party (ANP) is attached hereto.

The petition hearing was held before United States District Judge Allen K. Grim, Eastern District of Pennsylvania, Philadelphia, Pennsylvania, October 10, 1962. Judge Grim denied the petition.

b6
b7C

American Nazi Party

On October 12, 1962, confidential informant PH T-1, who has furnished reliable information in the past, advised that [redacted] at 11:20 a. m. telephonically advised Captain [redacted] of the Philadelphia Police Department, Intelligence Squad, that the ANP, headquartered in Arlington, Virginia, would send five members of the organization to Philadelphia, Pennsylvania, that date to picket the Adelphia Hotel at 7:30 p. m. The reason for the picket was the appearance at the hotel of Gus Hall, a spokesman for the Communist Party.

b6
b7C

On October 12, 1962, Special Agents of the Federal Bureau of Investigation observed a black 1950 Chevrolet stop at the corner of 13th and Chestnut Streets in Philadelphia at 7:26 p. m. Five individuals with Nazi uniforms and carrying picket placards got out of the automobile. After the pickets got out of the automobile, it drove north on Chestnut Street out of the area. Due to the huge crowd, the pickets could not be observed when they went to the front of the Adelphia Hotel. The crowd surged forward with much shouting at the pickets. The police took the pickets into custody and took them out of the area in a patrol wagon. Several spectators were also led from the scene by the police. The pickets were away from the scene within two-minutes from the time of their arrival.

PH T-1 advised that the following individuals were arrested:

b6
b7C

Detective [redacted] badge number [redacted] Central Detectives. 20th Street Police Station, was advised by Captain [redacted] badge number [redacted] and Captain [redacted] badge number [redacted] they were on duty at 13th and Chestnut Streets where the Adelphia Hotel is located. They were aware of the contemplated picket of Gus Hall by the ANP and were there to handle the situation at the scene. Approximately 1,500 to 2,000 people were in the

American Nazi Party

immediate vicinity of the hotel when the five Nazi-dressed individuals alighted from an automobile and attempted to picket at approximately 7:30 p. m. The crowd immediately became incensed and several bystanders attempted to do harm to the pickets. For this reason, the five were arrested.

Five placards bearing anti-Communist and anti-Jewish slogans and Nazi arm bands and medals were taken as evidence.

The subjects in interview advised Detective [redacted] they were ANP members and had volunteered for the mission of picketing at the Adelphia Hotel in Philadelphia where Gus Hall was scheduled to speak that evening.

b6
b7C

The subjects were charged with inciting to riot, disorderly conduct and breach of peace. They were afforded an immediate hearing before Magistrate E. David Keiser and remanded to jail in lieu of \$2,500 bond each. A further hearing was set by the Magistrate before him on October 19, 1962. The subjects had not made bond as of October 18, 1962. On October 17, 1962, their plea for reduction of bond before Judge Ethan Allan Dody, Philadelphia County Court, was denied.

PH T-1 also provided a photostat of the "Activity Record" emblazoned with the ANP emblem, 928 North Randolph Street, Arlington 3, Virginia, Box 1381, JA 4-5831. One of the pickets gave this "Activity Record" to an officer on duty.

The "Activity Record" contained the following information:

Type of Action: Picketing

Date: October 12, 1962

Place: Adelphia Hotel, Philadelphia, Pa.

Time: from 7:30 p. m. to 8:30 p. m.

Purpose: To support the Free Enterprise economic system; and to protest the appearance in Philadelphia of Gus Hall of the Communist Party, USA.

American Nazi Party

Participants: [redacted]
[redacted]

b6
b7C

Wording of signs or description of literature:

- (1) Go home, Gus Hall (Go Home, Jew "War" Veterans)
- (2) Free Enterprise is hereto stay (Nazism is here to stay)
- (3) Karl Marx was a crackpot (Karl Marx was a Jew)
- (4) J. Edgar Hoover was right; Communism is treason (Hitler was right; Communism is Jewish)
- (5) Free Enterprise, Yes! Communism, No! (85 percent convicted Red Spies have been racial Jews)

PH T-1 also advised that after the incident of the arrest of the pickets, the occupant of an automobile, bearing New Jersey tag GCF 735, inquired of an officer on duty at the hotel as to the whereabouts of the pickets.

T-1 advised there were no arrests other than the above-mentioned subjects.

T-1 advised that [redacted] age 23, white male, resides [redacted] Florida, was questioned by police authorities in regard to a pamphlet he was passing out approximately an hour after the pickets were arrested. The pamphlet was entitled "F-A-N Action" which is published periodically by the Fighting American Nationalists according to the pamphlet. The pamphlet was titled "Crimes of Gus Hall's Comrades." The text of the pamphlet depicts Hall as leader of the Communist Party, United States of America, that he wants to "bury you, your family and your loved ones, and Khrushchev is his boss." Hall, as agent of the Soviet Union, is speaking in Philadelphia to give instruction as to how the Communist rats will accelerate the burial of American traditions of Christian decency and justice. Hall's dream is

b6
b7C

American Nazi Party

to be Commissar of the Soviet States of America. His plan is to repeat what happened in Poland, Hungary, Latvia, Estonia, Yugoslavia and countless other nations. Hall demands and gets police protection while those who would oppose him do not.

The pamphlet goes on to say the FAN are on the streets protesting the presence of the Communist beast, Gus Hall, in Philadelphia. That is the reason for formation of FAN units across the nation to rally white Christian Americans everywhere to stand up against the Communist menace.

Further information regarding the FAN program can be obtained by writing to Post Office Box 103, Baltimore 3, Maryland, Post Office Box 1432 Reading, Pa., or National Headquarters, Suite 412, 711 14th Street, Northwest, Washington 5, D. C.

On October 19, 1962, a further hearing was held for the subjects before Magistrate E. David Keiser, Ninth Police District. The subjects were represented by Attorney [redacted] Philadelphia, and his services were arranged for by the American Civil Liberties Union of Philadelphia. The Magistrate bound the subjects over to court on charges of inciting to riot, breach of peace and the added charge of conspiracy. They were fined \$10.00 and costs of \$2.50 each or 30 days in jail on the charge of disturbing the peace. They were remanded to jail in lieu of \$2,500 bail each.

b6
b7C

At the hearing Police Captains [redacted] and [redacted] testified regarding the incident. The prosecution submitted the picket signs in evidence through the testimony of Captain [redacted] He

American Nazi Party

testified that the subjects got out of the car with the picket signs and never did get a chance to raise them up to display them. Their Nazi uniforms were sufficient to incite the crowd to attack.

The picket signs were constructed with "overlays" in such a way that before the "overlays" were removed the signs were anti-Communist. The "overlays" had key words on them and when the "overlays" were removed the key words underneath made the signs anti-Jewish. The "overlays", which were stapled on, were never removed according to Captain [] testimony.

b6
b7C

On October 22, 1962, Captain [] advised that the picket signs as set out in the ANP "Activity Record" were essentially the same as those confiscated by the Police.

On October 18, 1962, Roy Frankhouser, Reading, Pa., self-admitted FAN member, advised a Special Agent of the Federal Bureau of Investigation that he had been in Philadelphia, Pa., the night of October 12, 1962, in the vicinity of the Adelphia Hotel where the Nazi picket of Gus Hall was held. He said that a cohort, [] accompanied him. They were not in uniform, but when the Nazi-uniformed people were attacked, Frankhouser and [] attempted to aid them. As a result, they were taken by the police for questioning, but shortly released when it was determined they were only passing out literature.

b6
b7C

After release by the Police Department, they went back to the scene of the picket and passed out more FAN literature, about 2,000 in all.

On October 22, 1962, Captain [] advised that Frankhouser and [] were taken to the Ninth District Police Station for interview, because they were passing out FAN literature around the Adelphia Hotel. They were brought to the station house by patrolmen and released by Lieutenant [] Ninth District, when it was determined they were passing out pamphlets and not picketing.

FIGHTING AMERICAN NATIONALISTS

On February 23, 1961, GEORGE LINCOLN ROCKWELL, leader of the American Nazi Party (ANP) advised Special Agents of the Federal Bureau of Investigation that the Fighting American Nationalists (FAN) was organized by [redacted] as an anti-Communist organization. ROCKWELL said FAN was organized in September 1960 and it is a separate and distinct group from ANP, but members of FAN are "frustrated Nazis" who do not like to wear the swastika or be associated with the principles of ADOLF HITLER.

ROCKWELL stated individuals have expressed an interest in the FAN and since FAN is in consort with and guided by the ANP, these individuals soon realize the use of the swastika is the best method of getting recognition in their fight against Communism. Soon these individuals join the ANP, ROCKWELL said.

b6
b7C

A source advised on February 17, 1961, that in talking to [redacted] Deputy Commander, ANP, [redacted] stated there is no legal connection between FAN and ANP, but FAN was organized under the guidance of ROCKWELL and it is used as a front group dominated by the principles and objectives of the ANP and looks to GEORGE LINCOLN ROCKWELL as its leader.

Gentlemen:

I am sending the attached to you because I feel I must do something with it. It came to me yesterday in the plain white envelope just as I am sending it to you. The fact that my name is on a mailing list anywhere to receive this vile material really frightens me.

Last week, I believe it was, I received the first of it, but as I recall the material was from some organization containing the word "Truth" in its title--Truth Seekers or Truth Finders, or some such name. I assumed it was some bigoted group seeking support and, unfortunately, I burned it with other trash in the incinerator. I have no way of knowing whether this came from the same place, but presume it did, and I am afraid I shall continue to receive such material. They may think I am a man and a likely candidate for their campaign, but I am neither.

So far as I can remember I do not use [redacted] on any of my subscriptions nor is it in the Queens telephone directory in that manner. I do have my name in that manner on the door of my apartment, and it may be that is the way in which they are building their mailing list.

I do not know that there is anything you can do about stopping the mailing of such vile material of an anonymous source, but I shall feel better just knowing I have reported to you that my name is on such a list through no fault of mine.

b6

Very truly yours, [redacted]

AMERICAN NAZI PARTY, ALSO KNOWN AS
WORLD UNION OF FREE ENTERPRISE NATIONAL SOCIALISTS

A source advised on February 27, 1959, that GEORGE LINCOLN ROCKWELL of Arlington, Virginia, had held an organizational meeting of the World Union of Free Enterprise National Socialists (WUFENS) at his residence on February 26, 1959.

Six persons were present and they, according to the source, comprised the beginning of an officer corps of the organization. ROCKWELL told those present that the WUFENS would be an international movement, but that the section of the organization in the United States would be known as the American Party of the WUFENS.

ROCKWELL, on March 26, 1959, furnished to Special Agents of the Federal Bureau of Investigation, a copy of the program of the WUFENS stating that he expects to become President of the United States through the organization's platform. The main tenets of the WUFENS, as reflected in the program, call for the migration of Negroes to Africa and the trial and execution of all Jews guilty of Communist and Zionist treason.

A second source advised on August 15, 1962, that the main activity of the organization in furtherance of these objectives, has consisted of picketings with anti-Jewish and anti-Negro placards; talks by ROCKWELL attacking Jews as traitors to the United States; attempts by ROCKWELL to form Nazi groups in various cities in the United States; and attempts to form a group of international sympathizers. ROCKWELL prints large amounts of Nazi literature at American Nazi Party Headquarters, 928 North Randolph Street, Arlington, Virginia.

In his letter, [redacted] notes that Parliament House has published GEORGE LINCOLN ROCKWELL's book "This Time the World" and inquires if the above firm would be interested in publishing the "Bible of the still secret Christian States Party" which [redacted] describes as a military dictatorship which will emerge as the first successful Third Party in America, starting in 1973.

Judge Shalleck stated that the directive and provisions of the warrant, calling for Rockwell's arrest should he appear in New York City, which warrant was issued on June 26, 1960, will remain in full effect.

AMERICAN NAZI PARTY
RACIAL MATTERS

On 1/18/63 [redacted]
Washington, D.C., voluntarily appeared at the headquarters of the Federal Bureau of Investigation and furnished the following information concerning his association with the American Nazi Party (ANP). The ANP is described in the appendix of this memorandum.

[redacted] stated that he was making this information available to the Federal Bureau of Investigation since he was applying for various positions, and he wanted his connection with the ANP on record in case any inquiry was made of this Bureau.

b6
b7C

[redacted] advised that in June, 1960, while on leave from the Marine Corps, he heard some people talk about George Lincoln Rockwell, the commander of the ANP in Arlington, Virginia. Following his discharge on February 6, 1961, he went to 928 North Randolph Street, Arlington, Virginia, the headquarters of the ANP. He believed the date was sometime around April.

At the headquarters he talked to one Daniel Burros, received literature, and was referred to George Lincoln Rockwell at 6150 Wilson Boulevard, Arlington, Virginia, an annex of the ANP. [redacted] advised that he talked to Rockwell, and Rockwell explained some of the principles of the ANP. [redacted] advised that he does not understand to this day the principles of the ANP, and he believes the whole purpose of the ANP is to furnish Rockwell with a "stage." Rockwell was always talking about his father, a vaudeville comedian by the name of "Doc" Rockwell, and [redacted] believes that George Lincoln Rockwell feels he was left out of the limelight.

According to [redacted], only four followers of Rockwell appear sincere in their attendance at ANP functions. Usually the persons who follow Rockwell are "bums" who are only looking for a free meal and a place to sleep. [redacted] claimed that [redacted] and [redacted] in Arlington are sincere and [redacted] and [redacted] in New York are sincere.

In August, 1961, [redacted] moved into the headquarters and lived there until October 16, 1961, when he was accused of carnal knowledge of a fourteen-year-old girl in Prince Georges' County, Maryland. He was tried in July, 1962, and acquitted. From October, 1961, until 1962 he lived at 2201 North Adams Street, Arlington, Virginia.

b6
b7C

In October, 1961, while out on bond from Prince Georges' County, Maryland, he was sent along with [redacted] and [redacted] to New York City to assist [redacted] who was having trouble with Luke Donner, a member of the Nationalist Party.

A characterization of the Nationalist Party is contained in the appendix to this memorandum. No trouble developed with Donner, and [redacted] stayed in New York two weeks, where he met his present wife. [redacted] advised he stayed with a Rumanian, [redacted] (last name unknown) on [redacted] Street.

Returning to ANP headquarters in November, 1961, he picked up his personal belongings and moved out of the headquarters. He married his present wife in June, 1962.

[redacted] advised that Rockwell had told him that the money to finance the ANP originally came from [redacted] of Baltimore, Maryland. [redacted] also advised that some people in the United States and Canada contribute money to the ANP, but there are no big contributors. [redacted] stated that approximately twenty to thirty letters are received a day at ANP headquarters and that some of these letters contain two-dollar contributions. He does not know of any big financial backers, but if there are such, Rockwell would keep this information to himself. He advised that one time that he knows of, one Charles Smith of Park Row, New York City, contributed \$30 to the ANP.

b6
b7C

Concerning Rockwell's personal life, [redacted] stated that he has a mistress, [redacted] who in 1961 resided one block above [redacted] in Washington, D.C. According to Bigley, [redacted] and Rockwell slept together almost nightly during his time with the ANP at 6150 Wilson Boulevard. He stated this was common knowledge among the members of the party.

[] advised that Rockwell has no real overseas connections, but that he does correspond with Colin Jordan, the head of the British Nationalist Party in England. He also has received a couple of letters from President Gamal Abdel Nasser of the Arab Republic.

[] advised that he was drawn into the ANP for childish reasons, the uniform and arm bands with the Swastikas. After he was in the party, he took an interest in it, but he still does not know what the goal of the party is except to make a name for Rockwell.

b6
b7C

At ANP headquarters there is a printing press which [] believes is a Davidson Duplicator offset press.

According to [] the Fighting American Nationalists is a front group for the ANP. Originally [] and [] were the leaders of this group under Rockwell's direction, and they later moved into or joined the ANP.

A characterization of Fighting American Nationalists is contained in the appendix to this memorandum.

[] advised that he had put in an application for Nursing Assistant at St. Elizabeth's Hospital in Washington, D.C., an application for the Arlington County Police Department and Greenbelt, Maryland, Police Department. He has not been hired by any of these organizations and is looking for work at the present time. He advised that he was leaving for New York on Sunday or Monday, 1/20-21/63 looking for work. He indicated that he might apply to the New York City Police Department for a position.

[] during the past few months, has worked for his father at the [] Company in Arlington, Virginia. However, his father sold his business in December, 1962. His wife works at Peoples Drug Store, 14th and H streets, NW, Washington, D.C. From July to September, 1962, [] worked for the National Detective Agency in Washington, D.C., but left this position without furnishing a reason.

In New York, [] will live with his wife's parents, Mr. and Mrs. [] Brooklyn 35, New York, until he finds work.

b6
b7C

[] advised that he picketed a number of times with the ANP in Arlington, Virginia; Washington, D.C.; and at the Justice Building in Washington, D.C. He stated that usually the picketing concerned the motion picture EXODUS or the public appearance of Negro entertainer Sammy Davis, Jr. [] advised that while in the ANP, he held membership card number 28.

[] stated that he has severed all connections with the ANP, that he loves his country very much and would do nothing to harm it. The following description of [] was obtained from interview and observation:

APPENDIX

AMERICAN NAZI PARTY, ALSO KNOWN AS WORLD UNION OF FREE ENTERPRISE NATIONAL SOCIALISTS

A source advised on February 27, 1959, that GEORGE LINCOLN ROCKWELL of Arlington, Virginia, had held an organizational meeting of the World Union of Free Enterprise National Socialists (WUFENS) at his residence on February 26, 1959.

Six persons were present and they, according to the source, comprised the beginning of an officer corps of the organization. Rockwell told those present that the WUFENS would be an international movement, but that the section of the organization in the United States would be known as the American Party of the WUFENS.

Rockwell, on March 26, 1959, furnished to Special Agents of the Federal Bureau of Investigation, a copy of the program of the WUFENS stating that he expects to become President of the United States through the organization's platform. The main tenets of the WUFENS, as reflected in the program, call for the migration of Negroes to Africa and the trial and execution of all Jews guilty of Communist and Zionist treason.

A second source advised on August 15, 1962, that the main activity of the organization in furtherance of these main objectives, has consisted of picketings with anti-Jewish and anti-negro placards; talks by Rockwell attacking Jews as traitors to the United States; attempts by Rockwell to form Nazi groups in various cities in the United States; and attempts to form a group of international sympathizers. Rockwell prints large amounts of Nazi literature at American Nazi Party Headquarters, 928 North Randolph Street, Arlington, Virginia.

NATIONALIST PARTY

On June 28, 1962, Detective [redacted] Bureau of Special Services (BSS), New York City Police Department (NYCPD), advised that the Nationalist Party (NP) was formed on September 21, 1961, and although it has no actual headquarters, continues to maintain a "mail drop" at 507 Fifth Avenue, New York City.

b6
b7C

Detective [] further advised that although Luke Donner has no official title as an officer of the NP, he in actuality controls the activities of the NP.

b6
b7C

Detective [] stated that even though activities of the NP consist of anti-communist demonstrations, members of the NP have in the past exhibited anti-semitic sympathies, and stated that Luke Donner mentioned above attended a meeting of the Fighting American Nationalists (FAN) which was held in New York City on December 4, 1960.

On August 2, 1962, a confidential source advised that the NP activities are openly anti-communist. However, this source stated, members of the NP have strong anti-semitic sympathies which they do not reveal openly since they feel disclosure of such sympathies would lose many supporters for the NP.

The above source further advised that the NP continues to join with other organizations in anti-communist demonstrations thereby giving the impression of having a greater membership than it actually has.

FIGHTING AMERICAN NATIONALISTS

On February 23, 1961, George Lincoln Rockwell, Leader of the American Nazi Party (ANP), advised Special Agents of the Federal Bureau of Investigation that the Fighting American Nationalists (FAN) was organized by [] as an anti-Communist organization. Rockwell said FAN was organized in September, 1960, and it is a separate and distinct group from the ANP, but members of FAN are "frustrated Nazis" who do not like to wear the swastika or be associated with the principles Of Adolf Hitler.

b6
b7C

Rockwell stated individuals have expressed an interest in the FAN and since FAN is in consort with and guided by the ANP, these individuals soon realize the use of the swastika is the best method in getting recognition in their fight against Communism. Soon these individuals join the ANP, Rockwell said.

Rockwell continued, there are three members of the FAN in Washington, D.C.: [] the National Director, [] and [].

A source advised on February 17, 1961, that in talking to [] Deputy Commander, ANP, [] stated there is no legal connection between FAN and ANP but FAN was organized under the guidance of Rockwell, and it is used as a front group dominated by the principles and objectives of the ANP and looks to George Lincoln Rockwell as its leader.

RE: AMERICAN NAZI PARTY (ANP)

On January 24, 1963, a source, whose reliability has not been established, but who has given verified information, furnished the following information to Special Agents of the Federal Bureau of Investigation:

The source stated that general contributions made to the party are not used efficiently, but the money is squandered by George Lincoln Rockwell and his associates. The source stated that frequently when no mail contributions arrive at headquarters, money mysteriously appears however, but no information has been developed as to the source of this income.

The source stated that the frequent meetings at the mansion are attended usually by a maximum of 15 people and the indications are that [redacted], continues to take a more active roll in command of the local situation at headquarters, his principal duties being in the fields of administration and propaganda. The source stated that [redacted] would like to expand the associate membership group because of the additional income it would provide and further, such a move would permit a greater ability to infiltrate opposing organizations such as Congress of Racial Equality (CORE).

The source stated that George Lincoln Rockwell is the National Commander of the American Nazi Party (ANP) and will, in all probability, be the International Commander of any National Socialist group formed. However, such a group

while being discussed has not taken on any positive form. In this connection, the source stated that Rockwell appears to be in contact with similar organizations in Europe, particularly England, but the usual mail is not being used for such contacts and the source indicated that a secret means of communication has been set up. The source stated that Mrs. [redacted] who is living at ANP Headquarters during the period her husband is in jail, communicates with her family in Kentucky, but does this by means of sending such communications to David George Schreibeis in Cincinnati, Ohio, who forwards such communication by regular mail. The source indicated that Schreibeis could be considered as a possible mail drop used by Rockwell for incoming and outgoing mail.

b6
b7C

Concerning [redacted] the source advised that he, [redacted] in about 1960, resided in a boarding house in the vicinity of [redacted] Avenue and [redacted] Street, New York City, and during this period he subscribed to various "left wing publications" such as The Daily Worker, New Masses, New Horizons and Advance. Also, during the same period, [redacted] was reported to have attended the Jefferson School in New York City. The source stated that he believed [redacted] may have used an assumed name while attending Jefferson School and also used an assumed name in connection with the subscriptions to the "leftist publications." The source believed that the name used was [redacted]. The source stated that he did not know if [redacted] was sympathetic to Communist ideologies or if he subscribed to such publications for transmittal to the ANP.

b6
b7C

The source stated that [redacted] subscribes to "leftist publications" in New York City, but specifically subscribes to such publications for transmittal to ANP Headquarters.

RE: AMERICAN NAZI PARTY

The source stated that [redacted], who was active along with Luke Alexander Dommer in the Nationalist Party in New York City, has been inducted into the U. S. Army. According to the source, Dommer is still active in the Nationalist Party and is cooperating with various conservative groups in the New York area.

The source stated concerning [redacted] whom he described as anti-social makes frequent trips to Washington, D. C., to visit a friend who resides near the Capitol. The source stated that [redacted] frequently returns with money, stating his friend owes him money.

b6
b7C

The source stated that [redacted] of Los Angeles, California, is moody and emotional. Because of these traits, [redacted] was reported to have disrupted the organization in Los Angeles and was, therefore, removed from leadership thereof.

The source stated that [redacted] will not remain at Headquarters assisting [redacted] but is preparing to return to Houston, Texas, in an official capacity on behalf of the ANP.

The source stated that among the new associate members of ANP is one FNU [redacted] (phonetic) from Washington, D. C., who is described as a white male, 28-32 years of age, 6'2", 190 pounds, wavy black hair, blue eyes and dark complexion.

b6
b7C

The source stated that [redacted] has been married and is residing on [redacted] Arlington, Virginia, and, although he does not attend any ANP functions, he is still sympathetic to the party.

The source advised that [redacted] and a new member, [redacted] (phonetic) are both very discontented and give every appearance of becoming completely disenchanted with their association with the ANP.

RE: AMERICAN NAZI PARTY

The source stated that [] has been complaining about his difficulty in earning a living and offered to back out of any position of active leadership in the ANP.

The source stated that [] appears to be permanently associated with the Chicago headquarters of the ANP.

b6
b7C

The source stated that [] is planning to leave Arlington Headquarters of the ANP for Miami, Florida, on or about January 29, 1963. [] is expected to actively attempt to establish a Miami Headquarters for the ANP.

The source stated that [] an active member of the Los Angeles ANP group, has recently been actively corresponding with the Arlington, Virginia Headquarters of ANP.

On June 29, 1962, the State of Virginia revoked the charter of the American Nazi Party.

A source who has furnished verified information but whose reliability has not been established furnished the following information concerning American Nazi Party (ANP) to a Special Agent of the Federal Bureau of Investigation.

A characterization of the ANP is attached hereto.

Source advised that one [redacted] who has been known as an associate of GEORGE LINCOLN ROCKWELL, self admitted leader of the ANP, was considered by source as a "complete psychotic". Source stated that sometime ago [redacted] had proposed to arrange a meeting at the Alexandria, Virginia, City Recreation Center for about 200 people. Rabbi [redacted] Arlington, Virginia, was to appear as a speaker and in the course of [redacted] address, ROCKWELL was to jump up from the audience. Source stated that this plan was discussed at ANP Headquarters and a decision made to have nothing to do with the meeting. (It is noted that [redacted] obtained permission to hold a meeting at the Recreation Center on this date. The Alexandria, Virginia, Police Department covered the meeting and on February 8, 1963, advised that the only persons who appeared at the meeting were a white male, probably [redacted] a white female, probably [redacted] daughter and a representative of the Alexandria, Virginia, Police Department.)

According to Source [] planned to see [] and also planned to attempt to get back in the ANP. Source stated that [] would receive a cold reception from ROCKWELL in which event [] would try to disrupt the ANP.

b6
b7C

Source stated that [] was to be released from jail in Philadelphia, Pennsylvania, on February 8, 1963. According to source, arrangements were made with a bondsman named [] whereby the Cadillac used by ROCKWELL would be put up as collateral for [] bail. Source stated that whereas it was generally reported that the Cadillac was the property of [] it is actually owned by ROCKWELL, the money having been advanced by []

Source advised that a member of U. S. Marine Corps [] Niantic, Connecticut, in June or July, 1962, had offered ROCKWELL \$900 to be used in ANP activities. [] reportedly had accumulated this money in U. S. savings bonds. The original offer, although made in July or June of 1962, was not immediately accepted but a new printing press at ANP Headquarters, Arlington, Virginia, is used to supplant the work of the old press and ROCKWELL boasts that the new press was a gift from a Camp LeJeune marine.

b6

b6
b7c

The source further stated that the membership of the American National Party has gradually declined since its formation and is in danger of complete dissolution due to the lack of interest displayed by its present members. According to this source, there has been no real activity by the American National Party in recent months.

The above source stated that the original purpose behind the formation of the American National Party was to be openly anti-communist and attract other anti-communists who could be gradually converted to anti-semites, thereby expressing the true sympathies of the American National Party.

The source stated that the American National Party continues to maintain a "mail drop" at Post Office Box 191, Gracie Station, New York 28, New York, but has no actual headquarters.

AMERICAN NAZI PARTY;
GEORGE LINCOLN ROCKWELL

Character:

RACIAL MATTERS

Synopsis:

National Headquarters of American Nazi Party (ANP) and Auxiliary Headquarters ANP are located at Arlington, Va. There are about 23 active members and officers. Finances are received from monthly subscribers to publications, members' dues and donations. ROCKWELL traveled to England July, 1962 and allegedly formed a worldwide Nazi organization known as the World Union of National Socialists (WUNS); he traveled over the U. S. contacting associates and conducting ANP business; he has corresponded with Latin American Countries in alleged efforts to obtain more financial support; he obtained new State of Va. Corporation Charter as "The George Lincoln Rockwell Party", but continues to do business as ANP. ANP continues to demonstrate through the use of picketing, passing out literature and making speeches.

DETAILS:

RH 157-93

I. ORGANIZATIONAL STRUCTURE

A. HEADQUARTERS

GEORGE LINCOLN ROCKWELL, self-designated leader of American Nazi Party (ANP) and members of ANP continue to maintain national headquarters of ANP at 928 North Randolph Street, Arlington, Virginia. The property is owned by FLOYD FLEMING, a long time associate of ROCKWELL's who is in sympathy with ANP.

(RH T-6, 1/30/63)

A characterization of ANP is in the appendix of this report.

About seven members of ANP live in property located at 6150 Wilson Boulevard, Arlington, Virginia. This property is commonly referred to among ANP members as the "mansion" and/or "Auxiliary Headquarters". It is secluded on a 26 acre piece of property. Two of the married members live here with their wives and children. ROCKWELL's personal secretary, [REDACTED] also lives at this address.

(RH T-6, 1/30/63)

The following members who are listed above did not attend the meeting because they were in jail:

(RH T-5, 1/22/63)

D. FINANCE

ANP has not been paying rent to FLOYD FLEMING, owner of ANP Headquarters regularly. The party is constantly behind in the rent payments. FLEMING has been forced to come to ANP Headquarters in person and demand payment. In spite of this, he only has obtained partial payment and promises from ANP to try and do better.

(RH T-6, 1/30/63)

ROCKWELL has written at least two letters to Latin American Countries attempting to stimulate interest in ANP. He has used this tactic in the past where he is trying to get financial aid. About one year ago, he used this tactic in an unsuccessful attempt to finance a trip to Australia.

ANP has been in poor financial condition during recent months. ROCKWELL pled with Judge HUGH REID of Arlington County, Virginia Juvenile and Domestic Relations Court. ROCKWELL was told that Judge REID was preparing to

RH 157-93

issue a warrant for ROCKWELL because ROCKWELL had not paid in full the December, monthly support, payment for his estranged wife and family.

(RH T-5, 12/21/62)

The main sources of income for ANP are subscriptions to the ANP publication, dues of members, and donations from sympathizers and associates. He said there are no known large contributors to ANP.

(Detective [redacted]
Arlington County, Virginia
Police Department, 2/4/63)

E. ORGANIZATIONAL PLANS

b6
b7c

[redacted] a Lieutenant in ANP, who lives at ANP Headquarters and whose home is Baltimore, Maryland, is working closely with members of the Fighting American Nationalists, (FAN) in Baltimore. [redacted] described himself as "ramrod" of the group. He said the Baltimore FAN members show prospect of becoming hard core members of ANP, and he is working toward that end.

(RH T-5, 9/18/62)

A characterization of FAN is in the appendix of this report.

ROCKWELL returned to ANP Headquarters on August 10, 1962 after a 13 day trip to Great Britain. He left Headquarters on July 28, 1962 en route to Shannon, Ireland by Commercial Airlines. From Shannon, he illegally entered Britain. He took part in a meeting of Nazi sympathizers who represented several countries. ROCKWELL said he believed this meeting made progress toward the foundation of a worldwide Nazi organization.

(RH T-5, 8/15/62)

The "Rockwell Report" issue Number 21, dated August 15, 1962, which is a semi-monthly publication printed at 928 North Randolph Street, Arlington, Virginia, carried an article entitled "A White Man's Internationale At Last". Following the article was a micro-photostat of

RH 157-93

of the "Cotswald Agreements". The article stated, "Here you can read the entire COTSWALD AGREEMENTS; - the first formal alliance between national groups based solely on RACE and the doctrines of the world's foremost racist Adolph Hitler!" The Cotswald Agreements purports to be the document which formed an organization calling itself "The World Union of National Socialists" or "WUNS". Spaces on the document were left open so that representatives could sign for their country, i. e., Great Britain, the United States, Germany, Austria, France, the Irish Republic, and Belgium.

Purposes of the organization are listed as follows:

"Immediate:

- "1. To form a monolithic, combat - efficient, international political apparatus to combat and utterly destroy the international Jewish, Communist and Zionist apparatus of treason and subversion.
- "2. To protect and promote the ARYAN RACE and its WESTERN CIVILIZATION, wherever its members may be upon the globe, and whatever their nationality may be.
- "3. To protect private property and free enterprise from Communist class warfare.

"Eventual:

- "1. To work toward the unity of all White People in the National Socialists World Order.
- "2. To work towards suitable arrangements with non-white leaders of other races to advance racial dignity and justice for each race on the basis of total and absolute geographic separation of the races.
- "3. To work towards just allocations of suitable and reasonable portions of the earth's surface for the exclusive sovereignty of the Black Race of the Yellow Race of the Red Race and the Brown Race.

RH 157-93

- "4. To work toward the eventual world ORDER, based on RACE, with just representation from each RACIAL group.
- "5. To find and accomplish on a world-wide scale a just and final settlement for the Jewish problem."

By letter dated October 3, 1962, ROCKWELL contacted "Messrs. [redacted] and [redacted] Nacional-Socialista Argentino, Buenos Aires, Argentina". In the letter he identified himself as the International Commander, Pro Tempore of the World Union of National Socialists. He told the addressees that he would like to know what they thought of the possibility of having a World Nazi Congress in Argentina during 1962. b6
b7C

(Foreign Source Abroad
Number 1, 12/14/62)

A letter dated November 25, 1962, was sent to "The Mexican Fibure Company, Est., Manuel, Tamaulipas, Mexico." It was signed "Lincoln Rockwell", "Commander, American Nazi Party, World Union of National Socialists". The letter indicated ANP was attempting to locate a Mexican National or Nationals who would assume ownership of a broadcasting company which ANP was planning to form in Mexico. The station allegedly would beam educational broadcasts to the United States in English.

The letter pointed out, "No less than 60% of the corporate holdings of such a company must be retained by persons who are Mexican citizens. The entire, actual capitol investment for this undertaking itself has already been assured by one of our best supporters here in the U. S."

The letter requested that an interested party contact ANP.

(Foreign Source Abroad
Number 2, 12/7/62)

RH 157-93

II. OBJECTIVES

Objectives of ANP have not changed since its inception. GEORGE LINCOLN ROCKWELL claims he will be the elected president of the United States in 1972 as ANP's candidate. This will be accomplished through the use of speeches, picketing, and distribution of literature printed at ANP Headquarters.

(Detective [redacted]
Arlington County, Virginia
Police Department, 2/4/63)

b6
b7c

It is noted more specific objectives of ANP are set forth in the "Miscellaneous Section" of this report where the "purposes of the corporation" are listed. The corporation referred to is "The George Lincoln Rockwell Party".

RH 157-93

III. MEETINGS,

Weekly meetings are held at ANP Headquarters or in the "Mansion", 6150 Wilson Boulevard, Arlington, Virginia. The business discussed usually concerns activities which occurred during the previous week. Seldom are members told of any long range plans or of plans outside the United States. The members in attendance are solicited to participate in activities which are planned for action within the day or two following the meeting.

(RH T-6, 1/30/63)

RH 157-93

IV. ACTIVITIES

ANP members departed Arlington County, Virginia during night of August 23 to 24, 1962 en route Cincinnati, Ohio. [redacted] and [redacted] both of ANP Headquarters, were being driven by [redacted] an ANP Officer, in [redacted] car [redacted] and [redacted] were to picket a Cincinnati television station because the station would not assure that an interview with [redacted] would be shown to the public.

V. MISCELLANEOUS

On September 25, 1962, [REDACTED] Assistant Counsel, State Corporation Commission (SCC), Commonwealth of Virginia, Richmond, Virginia, advised that the SCC, on September 20, 1962, ordered that a certificate of incorporation be issued to the George Lincoln Rockwell Party under Certificate of Incorporation Number 94610.

b6
b7c

He advised that the articles of incorporation reflect the following:

The George Lincoln Rockwell Party is a non-stock corporation formed under provisions of Chapter 2, Title 13.0 of the Code of Virginia and sets forth the name of the corporation as "The George Lincoln Rockwell Party".

The purposes of the corporation, as listed in the articles of incorporation, are:

"(1) the gaining of political power in the United States by all legal means and the elective processes.

"(2) the education of the American public to suppressed facts concerning the Communist conspiracy to destroy us and the White Race.

"(3) The defence, by all legal means, of the rights, privileges and immunities of citizens who attempt to disseminate truthful information about the Communist conspiracy.

"(4) The doing of all legal acts and things, including purchase and sale of property, hiring and firing of employees, assuming contractual obligations, and all other activities necessary to the establishment of purposes (1), (2) and (3), supra."

According to the articles of incorporation, the corporation is to have no members and the directors of the corporation are to be selected in the following manner:

RH 157-93

"The incorporators will serve as the Board of Directors, and will elect the Chairman of the Board, who will then appoint two additional Directors. Thereafter, Directors will be elected by the Chairman and the four other Directors, with the Chairman holding power to veto any nomination or election to the Board, and to appoint his successor."

The Post Office address of the George Lincoln Rockwell Party was listed as 928 North Randolph Street, Arlington, Virginia, and George Lincoln Rockwell described as a resident of Virginia and Director of the corporation, was listed as the initial registered Agent.

The number of Directors constituting the initial Board of Directors is three and their names and addresses were listed as George Lincoln Rockwell, 928 North Randolph Street, Arlington, Virginia; [redacted] Alexandria, Virginia; and [redacted], 928 North Randolph Street, Arlington, Virginia.

The articles of incorporation were notarized September 10, 1962.

According to [redacted] the \$6.00 fee for recording purposes was in the form of a Cashier's Check issued by McLachlen Banking Corporation, Washington, D. C., Number M184660, dated July 16, 1962, payable to the State Corporation Commission, remitter American Nazi Party.

He noted that this check was previously submitted in connection with Rockwell's attempt, on September 4, 1962, to have a certificate of incorporation issued in the name of ANP, Inc.

b6
b7c

He noted that the SCC had declined to issued a new charter to ANP, Inc. on the grounds that the stated purpose of the new corporation is to promote the interest of the American Nazi Party, whose charter was revoked earlier this year by the Virginia General Assembly.

[redacted] further noted that the letter transmitting the articles of incorporation for the George Lincoln Rockwell Party was on plain paper dated September 13, 1962 and was signed by [redacted] Acting Secretary, and

RH 157-93

the letter made reference to a conversation with a member of the SCC Staff via telephone and requested that the fees previously paid to the commission in behalf of ANP, Inc., whose application was rejected, be applied to the George Lincoln Rockwell Party.

B'nai B'rith is trying to pressure Virginia's Commonwealth Attorney's Office into filing charges against ANP and ROCKWELL under Virginia State Nuisance Statute. Officials of B'nai B'rith presented a list of charges to the Virginia Commonwealth Attorney [redacted] on November 16, 1962. Mr. [redacted] told B'nai B'rith that the State of Virginia has been unsuccessful in previous court actions using this statute against ANP. Mr. [redacted] further told B'nai B'rith representatives that he would continue to prosecute ANP as offense came to his attention.

RE: American Nazi Party

A source who has furnished verified information, but whose reliability has not been fully established, furnished the following information to a Special Agent of the Federal Bureau of Investigation.

Source advised that [redacted] had been released from jail in Philadelphia and within the last few days had returned to American Nazi Party Headquarters in Arlington, Virginia.

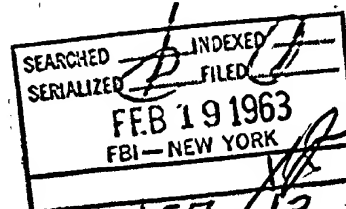

A characterization of American Nazi Party is attached hereto.

Concerning [redacted], source advised that he had left the Arlington, Virginia Headquarters of American Nazi Party on assignment in the Miami- Palm Beach Area of Florida and believed that he left this area on or about January 27, 1963.

b6
b7C

Source stated that he had furnished information previously concerning one [redacted] a Rumanian immigrant and he has determined that [redacted] was the man's first name the last name being [redacted] (Phonetic). Concerning [redacted], source stated that he understood that the Immigration and Naturalization Service was interested in his case.

Source advised that Luke Dommer of the Nationalist Party, New York City appeared to have some contact with one Frank Capell the publisher of "The Herald of Freedom". Source furnished a one page bulletin published by the Nationalist Party, 507 5th Avenue, New York 17, New York, captioned "Gordon Hall Linked to Rockwell." On the right of

RE: American Nazi Party

the sheet appears a picture captioned "Gordon Link - em (Fearless Fosdick) Hall." Opposite this picture is one of George Lincoln Rockwell captioned "George Link - em (Mighty Mouth) Rockwell". Under the two photographs is a caption stating "Gordon Hall (the Boston sewer rat) who specializes in linking patriots to George L. Rockwell, has finally been nailed at his own dirty game. His long record association with Red organizations would make Alger Hiss look like a cream puff." The lower section of the sheet, in a small box captioned "The Saturday Evening Post" the bulletin states "Political extremist; of which he is a leading example. This time he was grabbed by the police and tossed into jail. On both occasions the first person to spring to Rockwell's defense was a man named Gordon Hall." Below that an excerpt probably from "The Brooklyn Tablet" - "Rockwell is unable to come to New York as there is a warrant out for his arrest. His aide Seth David Ryan was observed meeting with Gordon Hall at the Hotel Lexington, New York City this spring (probably spring, 1962)." In the center of the bulletin under the caption "The Wanderer" "Gordon Hall of 222 Marlboro Street, Boston, Massachusetts, who met with Nazi Ryan is well known as an anti-Communist who was active in the anti-Nazi league although he is reported as having distributed anti-Semitic literature personally." On the left is a quote reportedly from "The Herald of Freedom" - "Rockwell's aide Seth David Ryan was observed meeting with Gordon Hall at the Hotel Lexington, New York City this spring. Gordon Hall of 222 Marlboro Street, Boston, Massachusetts, is a well known anti-anti-Communist. (Together with Charles R. Allen, Jr., he plotted to use the Anamist Party now known as the National Renaissance Party to smear Senator Joseph McCarthy. A co-conspirator and financial backer was Vladimir Stepankowsky who had been identified as a Soviet Agent.)"

Source stated that the Nationalist Party uses 507 5th Avenue, New York 17, New York as a mailing address but its headquarters are in a printing shop on First Avenue between 70th Street and 79th Street, the printing on the window being UIN Printing.

Re: American Nazi Party

Source further advised that a member of the Nationalist Party in New York, identity unknown, had received some literature from Boston, Massachusetts captioned "Funds for Walker". Source stated that the members of the Nationalist Party believed that the "Funds for Walker" may have been instigated by [redacted] of the American Nazi Party.

Source stated that one [redacted] who was active in the Fighting American Nationalists in New York City is not on good terms at present with George Lincoln Rockwell. Source stated that he understood that [redacted] accepted an invitation to speak at the Overseas Press Club at the request of one [redacted], who is associated with an anti-Nazi organization. Source did not know the date of this event.

Source advised that one [redacted] who is reportedly presently associated with the Nationalist Party, New York City, was formerly a member of the Spanish Falange. Source stated that [redacted] resides in a fourth floor apartment on 174th Street, one third block west of Fort Washington Avenue. Source stated that [redacted] is in possession of motion picture films on the Spanish Revolution and [redacted] a member of the Nationalist Party and a friend of [redacted] has stated that at the next public meeting of the Nationalist Party the motion pictures in the present possession of [redacted] will be shown.

b6
b7C

According to source, [redacted], a former member of American Nazi Party and a present associate of the Nationalist Party is preparing an affidavit concerning [redacted] Communist background.

A characterization of Fighting American Nationalist is attached hereto.

Re: American Nazi Party

A characterization of the Nationalist Party is attached hereto.

A characterization of the National Renaissance Party is attached hereto.

NATIONAL RENAISSANCE PARTY (NRP)

On May 9, 1962, a source stated that the National Renaissance Party (NRP) is an anti-Semitic, anti-Christian, anti-Negro and neo-Fascist-organization, with activities generally confined to the New York City area. It was founded in 1949 by James H. Madole, who is in complete control of the Party. The Party's main function is distribution of the "National Renaissance Bulletin" on a bi-monthly basis and distribution of pro-Arab literature obtained from official Arab establishments in New York City.

The source further stated that the headquarters for the NRP is located in the residence of James H. Madole at 10 West 90th Street, New York City.

The Un-American Activities Committee of the United States House of Representatives in a Preliminary Report, dated December 17, 1954, stated "National Renaissance Party activities and propaganda are clearly subversive and un-American."

MUST MEN STARVE TO GET JUSTICE IN PHILADELPHIA?

The most magnificent characteristic about our American Republic is that it is a government of rule by law -- not men. Whenever rule by law is replaced with rule by men, you have tyranny.

The basis of the law of our American Republic is the United States Constitution. This great document was born in Philadelphia. Today there is a good chance it will die there -- unless a gross travesty is rectified immediately. Here are the facts:

THE CONSTITUTION SAYS....

★ AMENDMENT I ★

Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech or of the press; or the right of the people peaceably to assemble, and to petition the government for a redress of grievances.

But yet on October 12, 1962, in Philadelphia, five American citizens were arrested when they tried to legally and peacefully picket an appearance of the Communist leader, Gus Hall, at the Adelphi Hotel. They were proceeding peacefully, but were attacked by a savage mob and beaten. The picketers were arrested; the savage attackers were not.

The five are: Bernard Davids, Robert Sharp, Bernard Cook, Paul Uhrig and Edward Kester. All are charged with "disorderly conduct"

★ ARTICLE I ★

SECTION 9.

The privilege of the writ of habeas corpus shall not be suspended, unless when in cases of rebellion or invasion the public safety may require it.

Yet the petitions for writs of habeas corpus, an action commanding immediate attention, for these five citizens were delayed, postponed, and pushed aside without reason **FOR OVER TWO MONTHS!!**

★ **AMENDMENT VI.** ★

In all criminal prosecutions, the accused shall enjoy the right to a speedy and public trial

But these five young men were first arrested on October 12. Their hearing was then postponed until October 19; then postponed until December 3, then until December 7. Then their trial was put way off until January 3. When that day came it was again postponed until January 14. On the 14th it was still again postponed -- this time until January 24. And on the 24th, IT WAS AGAIN POSTPONED -- until God knows when!! And all of this on simple "disorderly conduct"

★ **AMENDMENT VIII.** ★

Excessive bail shall not be required, nor excessive fines imposed, nor cruel and unusual punishments inflicted.

Yet the bail on these citizens for simple misdemeanors was set at the outrageous figure of \$ 2, 500 apiece -- a total of \$ 12, 500 for SIMPLE MISDEMEANORS!!!

These innocent men committed no crime. They have been jailed going on three months. But they cannot get their case heard. Everytime it is set for trial, it is postponed at the last minute -- without reason.

That these innocent young men are members of a minority political group, the American Nazi Party, has no bearing on the rights which they as American citizens are guaranteed by the Constitution.

The five innocent men have received no satisfaction from the courts after three months of effort.

They turn now directly to you, the people. They have gone on a hunger strike. They will not eat another morsal of food until their case is brought before a judge for trial. They will starve to death if necessary. In doing so, they safeguard the rights of us all.

Protest this outrage! Call the District Attorney! Call the Mayor! Call your newspaper, radio and TV stations! Demand that these innocent men be brought to trial now! Enlist the support of your friends.

Five innocent Americans are in jail starving at this moment. They ask no special treatment -- only that their case be brought to trial.

Get on the phone NOW!

Source stated that [redacted] and the ANP were disappointed that no publicity was gained. Source further stated that present plans call for [redacted] to start on April 1, 1963, from ANP Headquarters, Arlington, Virginia, and run to Richmond, Virginia. He expects to arrive at Richmond on April 3, 1963, and will carry with him a new application for a charter for the Party. Source advised that [redacted] of the ANP is employed in Washington, D.C., as an automobile mechanic and claims to work on the Presidential fleet of cars.

According to the Source, [redacted] visited ANP Headquarters, Arlington, Virginia, on March 9, 1963, and discussed with George Lincoln Rockwell the possibility of his reinstatement in ANP. The Source stated that [redacted], Deputy Leader of the ANP had been visiting in Chicago for the past two weeks and the date of his expected return to Arlington, Virginia, is presently unknown. Source was unable to state the purpose of [redacted] visit to Chicago.

The Source stated that an ANP picket was to be held this date at the National Association for the Advancement of Colored People, Washington, D.C., and that [redacted] was to be in charge. The purpose of the picketing was said to be the applauding of the action by a patrolman of the Metropolitan Police Department in shooting a Negro purse snatcher. Other placards were to concern themselves with the problems of a Jewish apartment house project owner who is protesting efforts to integrate the project.

The Source further stated that the Los Angeles Office of the ANP had been somewhat inactive, but that [redacted] is currently the leader there and will attempt to revitalize the unit.

RE: AMERICAN NAZI PARTY

On April 1, 1963, a source who has furnished verified information, but with whom contact has been insufficient to establish reliability, advised that [redacted] previously reported by source as being under investigation by the Immigration and Naturalization Service, is currently considered an "Associate Member" of the American Nazi Party (ANP) and is residing at [redacted] Arlington, Virginia.

A characterization of the ANP is attached hereto.

The source advised that, to his knowledge, no printed matter has indicated that the ANP had built or was building gas chambers or crematoriums for the extermination of traitors; however, according to the source, spokesmen for the Party frequently use the propaganda value of inferring that such is the case. Source stated that in the past Rockwell, self-designated leader of the ANP has made such reference and in such cases has in mind the activities of one [redacted] Detroit, Michigan.

The Honorable William W. Scranton
Governor of Pennsylvania
Harrisburg

My dear Governor:

Do you believe in the Bill of Rights and the Constitution of the United States of America? Have you not been sworn to uphold these, as well as the Constitution of the State of Pennsylvania? No matter how hard I search these documents, I cannot find any law prohibiting peaceful and orderly demonstrations or lawful distribution of circulars.

Why, then, on October 12, 1962, were five men arrested and held on four counts at bail of \$2,500 each for meerly seeking to voice their opinion by attempting to picket the vile Communist traitor, Gus Hall? The five men are [redacted] and [redacted]

b6
b7C

They were charged with Riot, Incite to Riot, Breach of the Peace, and Disorderly Conduct. They are members of the American Nazi Party--George Lincoln Rockwell, Commander--based in Arlington, Virginia.

To date they have served thirty days in jail for the Disorderly Conduct charge and are awaiting hearing before a jury on the revised charge of Conspiracy to Incite to Riot. Three of them are still in jail, with bail set at \$1,500 each.

I was there on that night--the night of the 12th of October, 1962--and would be willing to testify under oath that the only riotous elements present were in the crowd. These five men had barely set their feet on the pavement when they were rushed by hundreds of raging Communist sympathizers who had gathered outside the Adelphia Hotel at 13th and Chestnut Streets, where Hall was speaking, with the express purpose of causing trouble. There could be notdoubt that the purpose of many persons in that crowd was exactly to incite the rest of the mob to riot against the Nazis. Although these elements attacked the five Nazis, actually knocking two or three of them to the ground, not one of these persons was arrested or even held. Yet the five Nazis were arrested and charged as earlier described.

The Honorable William W. Scranton
Page 2

Has no one ever stopped to ask how it could be possible for five men--even dressed in American Nazi uniform and carrying anti-Communist picket signs--to cause a riot among some two thousand people? That night there were entire squadrons of police standing by to make sure that the Communist Hall's right to speak was protected. I saw them myself, lined up for blocks. Why were they not equally available to protect the rights of the A. N. P.? Or do you call the treatment they received "protection"?

The Communist Party is unquestionably subversive. The A. N. P. is not and cannot be listed as subversive, as it falls in line with the original laws of the land. Those which you, Governor Scranton, have pledged to defend and uphold. The police were there to protect the Reds; but two days before, Captain [redacted] and Lieutenant [redacted] of the A. N. P. sought such legal protection from the Philadelphia police and were refused such protection and were commented upon hostilely for seeking such protection by prominent City officials. What sort of law is this?

b6
b7c

The only ones who seem to have benefited from the riot scene are the Reds, who seem to take pride in the following lies and distortions of facts:

"Gus Hall came to point a steady finger in the certain direction of America's tomorrow. (!)

"But there were others who came here that day on an opposite mission. They came to preach violence against all that is glorious, sacred and durable in the lofty traditions bequeathed our nation by the founding fathers, who in this city had worked so well to fashion Constitutional instruments and institutions that conceived and projected our liberties (!!!). These were the members of a 5-man contingent from the Arlington, Va., national headquarters of the American Nazi Party. They defiled the streets with their jack-boots. And on the streets where Thomas Paine's "Rights of Man" was sold, they peddled tracts filled with anti-human declamations that were carbon copied from the Hitler Nazis. Tracts which called for genocide against Negroes and Jews and Communists. Tracts which screamed out for dropping atomic bombs on all the socialist countries. Tracts which bore the crooked cross of the Swastika emblem. Tracts which were handed out by five young degenerates in the dress of Hitler's storm-troopers. (They gave out no literature.)

The Honorable William W. Scranton

Page 3

18 February 1963

"But the representatives of the masses in this city of Brotherly Love were neither intimidated, terrorized, nor cowed by these Nazi Party hoodlums who represented in their program all that Americans have fought against, have sought to rid their nation and the world of. (Remember, five men!). WHEN THE NAZI THUGS APPEALED FOR MOB ACTION TO PREVENT GUS HALL FROM SPEAKING ON THE WAYS TO CONTINUE AND FULFILL THE DREAM OF OUR NATION'S FOUNDING FATHERS, THE PEOPLE GATHERED SOME TWO THOUSAND STRONG TO STAND WITH GUS HALL IN ONE SOLID PHALANX TO DO BATTLE WITH THE IMPUDENT FASCISTS (!!!).

"The Nazis called for a mob to act against the Communists (?), but what formed outside the Adelphia Hotel last Friday night was a militant guard of patriots who came as "mass delegations of observers" from the organizations of labor, the Negro people, (Jew) veterans and youth--they were non-Communists and many were anti-Communist (!), but all were united with the Communists as a guard of honor in defense of all that is good and meaningful in America against the fascist outriders of the ultra-reactionaries, who plot to silence the people's demand for social advancement with a Hitler-styled muzzle of tyranny. (!!!)

"...To uphold the rights of the Communists is the imperative for safeguarding the rights of all from destruction at the hands of the ultra-reactionaries. And its corollary: when the people stand shoulder to shoulder setting aside political prejudices and actively face up to the real direction of the threat to our democratic liberties, the forces of the left and the Communists are revealed as the staunchest fighters for the true national interests against the right-wing and pro-fascist enemies of democracy. (!!!)

"The two thousand patriots in front of the Adelphia Hotel roared at the goose-stepping fascists (!), clobbered them, and put them to rout...." (!!)

(Quoted from The Worker of October 21, 1962. All emphasis is mine.)

I beg you to draw your own conclusions from these "patriotic" utterings!

Having thus established that--

The Honorable William W. Scranton
Page 4
18 February 1963

1. The Nazis were denied the same protection that the Communists were granted;
2. That the Nazis had not had a chance to act in a disorderly manner;
3. It was the riotous mob which was responsible for Breach of the Peace;
4. The mob was riotous and not the Nazis (If one argues that the American Nazi uniform is in itself an incite to riot because it represents the uniform of a foreign country and former United States enemy, let me cite that the American Nazi Party won the right to wear the same uniform in the courts of New York, it having been decided that the Nazi uniform was not the uniform of any present foreign country or enemy, and therefore was completely permissible);
5. Bail was set at an unlawfully high figure, in no way in proportion to the alleged "crimes;" and that
6. Many elements in the crowd were actually responsible for the riotous condition and were members of notorious agitation and Left-Wing groups and that action on the part of the mob was successfully interpreted by the Communists in their official organ as action on the part of public-spirited citizens who saw it as their patriotic duty to stand side-by-side with and to help the Communists, who are, needless to say, dedicated to the destruction of the system on which their alleged patriotic friends defended them!

Yet these are only the beginning items on a long list of injustices shown these men of the A. N. P.

The afore mentioned Captain [redacted] spent several days in Philadelphia, trying to file a Motion for the Reduction of Bail for the men. He was given the run-around from one city official to the next for three days before he could finally file this motion. During that time he was shown several striking courtesies by ranking city officials; e.g. District Attorney James Crumlish promised that he would prepare a paper to help Captain [redacted] Captain [redacted] waited

b6
b7C

The Honorable William W. Scranton
Page 5
18 February 1963

patiently for two and one half hours outside D. A. Crumlish's office for him to prepare this paper. Finally Captain [redacted] asked a city employee to find out why he had to wait so long. The answer was simple and very typical of Philadelphia courtesy--D.A. Crumlish had left his office by the back door more than two hours before!

b6
b7C

This was just downright harrassment, the likes of which is to be expected by people or organizations expressing "unpopular" views, but the next step was nothing short of legal treachery.

The American Nazi Party is not a wealthy organization, and Philadelphia is not a city in which one can readily find a lawyer who isn't horrified at the suggestion of defending a Nazi. When an organization is not financially well situated and expresses an unpopular view, there is an organization which has been formed for the express purpose of functioning under such difficulties--the American Civil Liberties Union. Captain [redacted] enlisted the help of their organization. But the notoriously Left-Wing A. C. L. U. didn't exactly care for the idea of defending the Nazis.

Also, under such circumstances, the Bar Association is supposed to appoint legal counsel. One was appointed-- [redacted] Attorney. But, in keeping with everything else so far, this good luck did not last very long. It quickly reached the ears of the Philadelphia Bar Association that the Nazi Party, in its motion for the Reduction of Bail, stated it could afford to pay \$100 bail for each of the five men. This, the Bar Association reasoned, was synonymous with saying that the Party could afford to retain a lawyer; and Mr. [redacted] undoubtedly with a sigh of relief, was removed from the scene of action.

b6
b7C

As a hearing was scheduled for the 19th of October and the men needed legal counsel, the A. C. L. U. appointed a man to represent them at that hearing. His name was [redacted], Attorney. As the Party had no alternative

The Honorable William W. Scranton
Page 6
18 February 1963

but to engage counsel and as Mr. [] had handled the first step satisfactorily, the A. N. P. engaged him on a fee basis, rather than go to the time and expense of "flushing" out another lawyer who would defend the men. I call that a pretty sneaky strick.

b6
b7C

Getting back to the hearing on the 19th of October, I would, with your indulgence, like to relate a few facts regarding it.

First, the court in which the hearing was to take place was not mentioned in the leading Philadelphia papers. Upon inquiry at City Hall, I was told that it would be held in a certain court at City Hall. Assuming this information to be correct, I and two of my friends sat in that certain court on the 19th for three hours, during which time we had the honor to witness all kinds of cases, namely involving Negroes. Around noon the court was dismissed without even a mention of the Nazis. We later learned that the proceedings had taken place at the 20th and Pennsylvania Boulevard Police Precinct Court, Magistrate E. David Keiser presiding, at approximately 10 a.m., that morning! In other words, the three of us had wasted our time and expenses to watch a three-hour show of parading blacks, while the hearing for the Nazis was going on some six blocks away! One could understand such an error in a complex city government, but this was no error but intent; for in the edition of the Jewish Times of the same day, the place and time of the hearing were clearly stated!--

7. Philadelphia's "cooperation" in seeing that they were "equal before the law." Maybe Nazis are not just quite as equal as other people!

The outcome of this hearing on the 19th of October was that the men were found guilty of Disorderly Conduct and were sentenced to \$10 fine or 30 days imprisonment and the charge of Breach of the Peace charge was dropped--in preference to another larger charge--Conspiracy to Incite to Riot! The motion for the Reduction of Bail was refused. As the men felt they were not guilty of Disorderly Conduct, they chose to serve the 30 days rather than pay the fine. Evidently, this was all very much a surprise, even to the

The Honorable William W. Scranton
Page 7
18 February 1963

Jewish element, which expresses itself thusly, in the same edition of the Philadelphia Jewish Times as afore mentioned;

"Speculation as to what would happen at the hearing this morning is almost unanimous. Because of no prior convictions and a charge of disorderly conduct, which is a minor charge, there is insufficient evidence to hold them for trial. They will probably be fined and sent scurrying home to their so-called Fuhrer."

Interesting?

For the next two months, Writs of Habeas Corpus--almost as many as I can count on one hand--were introduced into the courts, first by the Party then by Mr.

b6
b7c

As we both know, it is clearly stated in the laws of the United States that the privilege of the Writ of Habeas Corpus shall not be denied, and we know that such Writs are usually honored within 48 hours at the most. Yet every Writ of Habeas Corpus submitted for these men has so far been dismissed or denied on different grounds, the most frequent of which has been that the document was not correctly prepared. It is understandable that this might happen once or even possibly twice, but in this case it has happened three or more times!--

8. How is it possible to deny these men the right to the Writ of Habeas Corpus?

There followed an arraignment on November 13, 1962, Judge Gold presiding, on the Incite to Riot and Conspiracy to Incite to Riot charges, and the men were held for the Grand Jury.

This began a series of very odd proceedings.

Hearing on an Appeal on the Disorderly Conduct charge was rescheduled three times: November 16, 1962; November 21, 1962; and December 3, 1962, Magistrate David L. Ullman

The Honorable William W. Scranton
Page 8
18 February 1963

presiding. At that time, the 3rd of December, in the Court of Common Pleas, a Writ of Habeas Corpus was denied, the Appeal was postponed, and the bail was reduced to \$1,500 each. There may have been other postponements during this time, also, of which I have no record. It has not been easy to keep up with this "legal game." There were also several arraignments and postponements of arraignments on the charges for the Grand Jury: November 11, 1962; November 27, 1962; and December 7, 1962. Before I go further, let me call to your attention some information regarding Magistrate David L. Ullman.

Magistrate Ullman is, first of all, a Jew. And he is not just "a" Jew, but is active in Jewish affairs as indicated by the following quotation from Common Sense, a Rightist newspaper published in Union, New Jersey (October 1, 1962):

"ALL JEWISH GROUPS URGED TO CONSULT ON INTEGRATION

Boston (NJP) -- The view that consultation between all the Jewish agencies and the Jews of all parts of the U. S. on problems involved in the school integration fight was desirable was expressed by several speakers at the 17th plenary session here of the National Community Relations Advisory Council. The NCRAC is the over-all Jewish agency involved in community relations work.

David L. Ullman was reelected chairman of the group."
(National Jewish Post, June 20, 1958).

He has also been active in integrationist programs, as shown in an article in the Philadelphia Evening Bulletin, dated September 21, 1954. It involves the the case of the segregation of the Boulevard Pools, Roosevelt Boulevard and Princeton Avenue, in Philadelphia, along with Mr. [redacted] who was representing the Friends Race Relations Committee, and other "liberals," as, I gather, a plaintiff.--

b6
b7C

9. Would you not say that a proven active Jewish liberal would be inclined against proven active anti-Jewish

The Honorable William W. Scranton
Page 9
18 February 1963

Right-Wing Nazis and would therefore be inclined to be prejudiced against them? Can you help but agreeing that such a person would not be the type in whose hands to place such a case, unless, of course, the case had been so placed in the hope and expectation that these men would not receive a fair judgment?

But no, this was not enough! There followed four reschedulings of the trial before the Grand Jury: January 3, 1963; January 17, 1963; January 24, 1963; and February 25, 1963.---

10. What has happened to the American right to a speedy trial?

These men have been given four months of legal run-around. There can be only one explanation: There is actually no case against them and the City knows it? By these postponements the City hopes to discourage and torture these men, only in the end to find them innocent (Just as the Jewish Times predicated they would be found four months ago!). In that case, there is no doubt in my mind that these men will have grounds for the most justified and the biggest suit against this City that it has ever seen!

I could go on with more examples like these-- how the men were split into twos in the prison, Moyamensing, so that they could not communicate (This was confirmed to me by the Social Worker in the prison itself); how the youngest and most recent Party member, [redacted] almost climbed his cell walls until his parents bailed him at \$2,500; how [redacted] was disregarded, although seriously ill, until finally the Party scraped together enough money to bail him last week; how letters between there and myself were delayed for a week before they arrived; how they are not allowed to receive any Party publications; how, after having no trouble for some months, I have suddenly been refused permission to see them on grounds that my visits do not serve a "constructive purpose"; i.e. their demoralization; how their officers have driven all the way from Arlington several times to attend proceedings that never occurred!.... ad nauseum.

b6
b7c

The Honorable William W. Scranton

Page 10

18 February 1963

My dear Governor, I keep having the feeling that this is all a bad dream and that I will wake up any time and find out that this really is America. I have been "rubbing my eyes" for four months now, and I am convinced that I am awake and that this is no dream--it is a nightmare!

Sincerely yours,

Re: AMERICAN NAZI PARTY

Under "NOTICES" the issue states that Rockwell, self-designated leader of the ANP, has called a National Convention of the ANP and all affiliates to be held in Chicago on November 30, 1963.

Under "PROJECTS" the issue stated that all Party stalwarts are asked to send in the names of Birch Society people, or names of those suspected of being Birchers. The paragraph further points out that many Birch units are defecting to the ANP.

This same source furnished information from the "Intra-Party Confidential Newsletter" dated April 2, 1963, indicating the STORMTROOPER (published by the ANP), is being offered for sale on a newsstand in Washington, D.C.

This issue further stated that a reprieve had been obtained in connection with the Chicago Headquarters, but that the greater part of the \$1500 remained to be raised. A notation was included to indicate that [redacted] had been promoted to the rank of "Captain" in the ANP.

A paragraph stated that on March 29, 1963, literature was distributed by a New Racist organization in Baltimore.

A paragraph stated that Emory Burke, who recently resigned from the National States Rights Party, plans to open a school for the training of white leaders in Montgomery, Alabama.

A paragraph was devoted to "West Coast Action" stating "We are now organizing a large influx of young men, many of them from UCLA and other universities." b6 b7C

This issue stated that a one hour TV program on the ANP was shown over Germany's only network on March 3rd. The program was stated to have been filmed in and around the Arlington Headquarters and included interviews with "The Commander".

Concerning the Vinland Book Store, a notation indicated that although it was formerly located in Chicago, it is being reorganized under "Lt." [redacted] with a new mail order address at Post Office Box 1633, Washington 13, D.C.

Re: AMERICAN NAZI PARTY

On April 3, 1963, a source who has furnished verified information, but with whom contact has been insufficient to establish reliability, advised that during the evening of April 2, 1963, [] and [] (probably identical with []) departed Arlington, Virginia, en route to Chicago, Illinois, in a Buick bearing Illinois 1963 registration tags []. The source stated he did not know the reason for the visit from Chicago, but believed it to have been in connection with the promotion of [] to the rank of "Captain". b6 b7C

The source stated that [] had apparently obtained approval for his reinstatement in the ANP and was expected to move to the Arlington, Virginia area in about two weeks. Source stated that Rockwell was intending to replace [] when [] arrives, this according to source being the reason for the "anti-Rockwell" faction forming and including [].

Source stated that at an officers' meeting held by ANP on this date, consideration was given to dismissing of [] and []. No final decision was made, but source believed that [] would be dismissed whereas [] would be assigned specific duties in the headquarters area.

AMERICAN NAZI PARTY
RACIAL MATTERS

A source, who has furnished reliable information in the past, made available on April 10, 1963, a copy of a booklet captioned "The Stormtrooper" dated March - April, 1963. The source said this booklet was printed at the American Nazi Party (ANP) Headquarters at 928 North Randolph Street, Arlington, Virginia.

Attached to this memorandum is a copy of the above-mentioned booklet.

The booklet itself contains articles concerning the international Nazi program and an article from [redacted] of Great Britain and leader of the National Socialist Movement. George Lincoln Rockwell, self-designated leader of the ANP claims [redacted] wrote this letter while imprisoned in Great Britain.

The booklet also contains an article by [redacted] National Secretary of the ANP, captioned "Why I Joined the Nazi Party." The booklet also contains various photographs of Adolph Hitler.

The source also commented that in the first week of April, 1963, George Lincoln Rockwell was in contact with [redacted] former member of the ANP, and Rockwell requested [redacted] to complete some printing for the ANP in New York City. The source said [redacted] printed these leaflets in New York City and mailed them back to the ANP Headquarters at 928 North Randolph Street, Arlington, Virginia.

The source also commented that George Lincoln Rockwell stated that he would welcome back to the ANP Headquarters [redacted] who deserted the Party November of 1961.

RE: AMERICAN NAZI PARTY

The source said that both [redacted] and Dan Burros, former member of the ANP, deserted the ANP in November, 1961.

b6
b7C

The source also stated that he was of the opinion that there was a feeling of unrest and dissatisfaction among the members of the ANP because Rockwell has not followed through with some of his statements concerning the growth of the ANP.

The source said that he feels that the finances of the ANP are at a low ebb and Rockwell has not been able to make his long trips as he had planned in the past.

AMERICAN NAZI PARTY

**Also Known As 'World Union of Free
Enterprise National Socialists,
George Lincoln Rockwell Party**

A source advised on February 27, 1959 that GEORGE LINCOLN ROCKWELL of Arlington, Virginia, had held an organizational meeting of the World Union of Free Enterprise (WUFENS) at his residence on February 26, 1959.

Six persons were present and they, according to the source, comprised the beginning of an officer corps of the organization. ROCKWELL told those present that the WUFENS would be an international movement but that the section of the organization in the United States would be known as the American Party of the WUFENS.

ROCKWELL, on March 26, 1959, furnished to Special Agents of the Federal Bureau of Investigation, a copy of the program of the WUFENS, stating that he expects to become the President of the United States through the organization's platform. The main tenets of the WUFENS, as reflected in the program, call for the migration of Negroes to Africa and the trial and execution of all Jews guilty of Communist and Zionist treason.

A second source advised on August 15, 1962, that the main activity of the organization in furtherance of these objectives, has consisted of picketings with anti-Jewish and anti-Negro placards; talks by ROCKWELL attacking Jews as traitors to the United States; attempts by ROCKWELL to form Nazi groups in various cities in the United States; and attempts to form a group of international sympathizers. ROCKWELL prints large amounts of Nazi literature at American Nazi Party Headquarters, 928 North Randolph Street, Arlington, Virginia.

On June 29, 1962, the State of Virginia revoked the charter of the American Nazi Party.

On September 20, 1962, the State Corporation Commission of Virginia issued a charter for a "George Lincoln Rockwell Party". The second source mentioned above advised on September 24, 1962 that ROCKWELL will continue to carry on his activities, using the name American Nazi Party merely to be able to do business as a corporation.

**AMERICAN NAZI PARTY,
Also Known As
World Union of Free Enterprise National Socialists
(Washington, D.C.)**

A source advised on August 15, 1962, that the American Nazi Party (ANP), whose leader is GEORGE LINCOLN ROCKWELL, maintains its headquarters at 928 North Randolph Street, Arlington, Virginia.

The main activity of the ANP in Washington, D.C., consists of picketing with placards which contain anti-Jewish and anti-Negro remarks. During some of the demonstrations, ANP literature is passed out.

On April 19, 1961, [redacted], Anti-Defamation League of B'nai B'rith, Boston, Massachusetts, advised that his source which is in contact with [redacted] an associate of GEORGE LINCOLN ROCKWELL, head of the American Nazi Party, is still attempting to develop specific information from [redacted] concerning a possible visit to America by [redacted] well known world Socialist of Great Britain. [redacted] told this source on April 6, 1961 that he is positive [redacted] would come to America. [redacted] stated that he does not know if [redacted] is out of jail but when he is he will go from England to Ireland and from there fly to Canada from where he will slip into the United States. [redacted] and ROCKWELL will then appear in New York City, get themselves arrested, and get world-wide publicity. [redacted] spoke in a positive manner about the above and told source, "I read it in a newsletter".

b6
b7C

Mr. [redacted] stated that [redacted] likes to speak with authority and that this is the most positive statement [redacted] has made concerning [redacted]. Previous talk by [redacted] about [redacted] was more speculative in nature. Mr. [redacted] stated he cannot evaluate the worth of [redacted] comments. [redacted] was once close to ROCKWELL, but has spoken disparagingly about him in past months and claims to consider ROCKWELL an idiot.

A characterization of the American Nazi Party is attached hereto.

10 Injured as Jews Battle Nazis in L. A.

Los Angeles, April 29 (AP)—Ten persons were injured in a free-swinging battle between Jews and Nazis outside an observance of Israel's 15th anniversary of independence.

The combatants used fists and clubs, during the 10-minute struggle last night in front of the Shrine Auditorium, police said.

Four Swastika-clad members of the American Nazi Party and four policemen were injured and sent to hospitals. Two Jews were treated by ambulance attendants at the scene.

Guests inside the huge auditorium, including such entertainers as Jack Benny, Ziva Rodann, Kathryn Grayson, Rayson, Raymond Massey, Bill (Jose Jimenez) Dana, Marty Ingels, Jackie Mason, Calvin Jackson, Gene Barry, Ed Begley and Vivienne Della Chiesa were unaware of the fight outside.

Officer George Raines described the battle:

"When I arrived on the scene I saw Officer Bill Mazzoni on the ground being kicked by two of the men in Nazi uniforms. The other Nazis were swinging at people on the sidewalk who were waiting to enter the auditorium. About 40 people were fighting, kicking and scuffling."

Raines said the Nazis carried anti-Jewish signs and the disturbance started when a Jewish man hit over the head by one of the picketing Nazis.

[Two others hospitalized by injuries allegedly inflicted by members of the Nazi group were Stuart Klein, 43, of Garden Grove, Cal., and Leon Hekier, 60, of Beverly Hills, Cal. Also injured was Jerry Moss, 46, of El Segundo, who attempted to stop one Nazi demonstrator from beating a member of the crowd with the picket sign.]

When other Jews retaliated, the Nazis started using their signs as clubs and swung wildly at the several dozen Jews who joined in.

Mrs. Theda Epstein, 40, said the Nazis' clubs were heavy. "They weren't designed just to carry signs," she said.

She was struck on the hand with one of the placards but stayed to see the show after an ambulance attendant bandaged her.

The four injured Nazis—Leonard Holstein, Lyle McLaughlin, William Krauss and Marvin Reeves—were booked on suspicion of assault after they were released from the hospital.

The four policemen suffered numerous cuts and bruises before they handcuffed the uniformed Nazis. A fifth Nazi escaped during the scuffle.

The policemen were treated at Central Receiving Hospital and released.

Re: American Nazi Party (ANP)
Racial Matters

On April 30, 1963, a source, who has furnished reliable information in the past, advised that [redacted] and other members of the American Nazi Party (ANP) were being sent to Chicago, Illinois on May 1, 1963, in a "mass transfer" because of opposition they have shown to George Lincoln Rockwell, leader of the ANP, for Rockwell's reinstatement of [redacted] to the ANP.

The source stated that the headquarters of the ANP will remain in Arlington, Virginia and not be transferred to Chicago as previously reported. The source stated that the transfer of ANP members to Chicago by Rockwell is merely an "assertion of power" by Rockwell and not for the purpose of re-establishing ANP headquarters in the Chicago area.

b6
b7C

The source stated that Rockwell felt his power as ANP leader was being challenged and in order to show he was still in command he transferred the members to Chicago.

The source further advised that it is possible that [redacted] ANP Lieutenant will break completely with Rockwell and the ANP, because of [redacted] reinstatement, and may form an organization of his own.

The source added that [redacted] mentioned above, is likewise in disagreement with Rockwell and stated that he will not go to Chicago even though Rockwell has ordered him to do so.

The source advised he was unable to furnish any additional information at this time.

A characterization of the ANP is attached hereto and the source mentioned therein has furnished reliable information in the past.

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.
